Dear Sr. Giannini,

Your card with the picture of Palazzo Vecchio takes me back to the early 1930s when in college I elected a course on the Renaissance. I then learned a little about your wonderful city of Florence.

I also appreciate the quote from JFK you wrote on the back. The right spirit! in the field in which I work.

If you would like books not readily available in Italy I recommend The Last Hurrah Bookstore, 937 Memorial Avenue, Williamsport, PA 17701.

They are a fine couple and they specialize in such books.

I have friends of correspondence throughout Europe and as far away as New Zealand who are their satisfied customers.

Thanks and best wishes,

Harold Weisberg
